

Assetz Property Group launches third tower at luxury project 63° East in Bengaluru

The Assetz Property Group has announced the launch of the third tower at its 63° East township, located off Sarjapur Road in Bengaluru, which will offer studio apartments to 3-BHK homes

Assetz Property Group has announced the launch of the third tower, with studio, 2 and 3-BHK homes, at its luxury township – 63° East in Bengaluru. Assetz has already launched two towers with a product mix of 1, 2 and 3-BHK homes that is nearing completion with 80% of the units being sold out. The 26-acre sustainable township is located off Sarjapur Road and is in close proximity to the third phase of the proposed Bengaluru Metro.

The homes at 63° East incorporate several conservation methods, such as rainwater harvesting, solid waste management, energy and water saving fixtures, etc. Other amenities at the project include a 40,000 sq ft clubhouse, five swimming pools, three badminton courts, dedicated walking paths, skating rink, organic farming space, yoga deck, amphitheatre, terraces with seating and provisions for barbeque, library, aerobic studio, etc.

“Our customer portfolio includes young families to independent working individuals or even retired couples. The amenities provided cater to all needs and interests, providing something for everyone. Furthermore, Sarjapur happens to be one of the most wanted locations for a home and this will only increase in the coming years,” says Rohit Cariappa, director – sales, Assetz Property Group.
